A deep tribute to the birth Centenary of the Father of the Nation

On the occasion of birth centenary of Great Architect of independence of Bangladesh, the Greatest Bengali of all time, Father of the Nation, period 17th March 2020 to 31st December 2021 is declared as the service year to uphold the life and activities of Bangabondhu Sheikh Mujibur Rahman to the general public. To facilitate and make the service ease to all, B-R Powergen Ltd. has taken some following activities:

- ◆ Celebrating the "Mujib Year" as the "Service Year of BRPL".
- ◆ Enforcing zero tolerance against corruption.
- ◆ Committed to dispatch uninterrupted power to the National grid as per NLDC Demand.
- ◆ Introducing Paperless office to build "Digital Bangladesh".
- ◆ Establish "Mujib Corner" enriched with historical books, autobiography, photography of the Father of Nation.
- ◆ Committing to providing service one more hour every day for the year.
- ◆ Aiming to turn unemployed youth to skilled manpower providing training to achieve "Empowerment of youth, prosperity of Bangladesh".
- ◆ Service Excellence Award.
- ◆ Innovation Program.
- ◆ Beautification program.
- ◆ Arrange cleaning competition.

Message

I am highly delighted to know that B-R Powergen Limited (BRPL) is going to publish the Annual Report for the Financial Year 2020-2021 on the occasion of Annual General Meeting (AGM). I hope this annual report will provide necessary and sufficient information to the concern people to analysis different issues.

I would like to express my sincere and profound gratitude to the Hon'ble Prime Minister Her Excellency Sheikh Hasina for her dynamic and visionary leadership and invaluable guidelines and supports for the smooth progress and development of power sector in Bangladesh. Electricity is not only light but also the root of civilization. Furthermore, every development depends on it. This is why Hon'ble Prime Minister Sheikh Hasina has given special emphasis on electrification. In addition, she has taken an initiative-electricity for all by 2021. As a result, almost hundred percent of the people have already come under the purview of electricity facilities. Since 2015, BRPL has been dispatching power to the National grid as per NLDC demand and thus contributing significant role implementing the target of the Government.

I wish a great success of the 10th Annual General Meeting of BRPL.

Joy Bangla, Joy Bangabandhu.

Long live Bangladesh.

Nasrul Hamid, MP

Government of the People's Republic of Bangladesh

Message

I feel great honor and proud to pay my humble tributes to the Father of the Nation, Bangabandhu Sheikh Mujibur Rahman and all Heroes of our glorious independence. This is my great pleasure that we are going to organize the 10th Annual General Meeting of the B-R Powergen Limited (BRPL), especially at the time when whole nation is celebrating Mujib Borsho and Golden Jubilee of our independence. In this auspicious moment, we are also on the verge of meeting hundred percent electricity demand of the country as committed by the present Government of Bangladesh involving the Power Division under the Ministry of Power, Energy and Mineral Resources.

Since the Hon'ble Prime Minister Her Excellency Sheikh Hasina took the office about 13 years ago, the nation has made remarkable progress in the power sector. The Government has taken short-term, mid-term and long-term plans for improving the power system. As a result, power generation, transmission and distribution have obtained tremendous momentum and achieved unprecedented success. The general mass of the country have been relieved of the dismal state of electricity left by the previous government.

According to the Power System Master Plan (PSMP)-2016, we have to generate 24,000MW by 2021, 40,000MW by 2030, and 60,000MW electricity by 2041. It needs diversification of fuel sources, especially coal, renewable energy, LNG and nuclear. In this context, the consultant has been appointed for the preparation of integrated Power and Energy Master Plan. Under this plan, the existing PSMP-16 is going to be thoroughly reviewed and safe, highly efficient, sophisticated and clean technologies will be given the top priority for inception of any power project in order to meet the acute challenges for fulfilling the future national demand for electricity.

The future power sector's growth has increasingly become dependent on factors, like efficiency, cost-effectiveness, digitalization, sustainability, and environmental conduciveness. Our focus on building long-lasting and trusted relationships with our valued customers, partners, employees, and other stakeholders remains the bedrock of our long-term sustenance. We aim to energize consumer lifestyle by providing sustainable power.

I extend my appreciation and thanks to all the contributors, including the Directors of the Board of the BRPL for their valuable contributions in successful functioning of the Company at a particular time when we all were under lockdown and passing through uncertainties due to the prevalence of the Covid-19.

The BRPL follows the global practice of corporate social responsibility to address the environmental and social issues as well as biodiversity conservation. For sustainable development, there is no alternative to dependable power. From this view point, I hope and believe that the BRPL will play an important role for economic development by decimating powerscarcity.

Finally, I wish every success for the 10th AGM of the BRPL. Our people, our strategy and our values have been foundational to our success over the past years. They will continue to underpin our work today, tomorrow and for the years to come.

Md. Habibur Rahman

Vision

To accelerate socio-economic development of the country through reliable power generation.

Mission

To implement power plant project as per government's plan to meet up the country's growing demand of electricity.

Objectives

To generate reliable electricity & supply to the national grid as per demand in the light company's vision and mission.

Plant and Project Overview

Existing Power Plant

Kodda 150MW Dual Fuel Power Plant

Generation Capacity	: 150MW
Availability Factor	: 98.67
Commercial Operation Date	: 16 august, 2015
Type of Plant	: Engine Based
Type of Fuel	: (HFO/Gas)
Engine Model	: MAN 18V51/60 DF
Plant Location	: Kodda, Gazipur, Bangladesh

Ongoing Power Plant Project

Mirsarai 150 (±10%) MW Dual Fuel Power Plant Project

Generation Capacity	: 163MW
Type of Plant	: Engine Based
Type of Fuel	: (HFO/Gas)
Engine Model	: MAN 18V51/60 DF
Mode of Finance	: GoB & Own Fund
Date Of Commencement	: June, 2018
Expected Date of Completion	: June, 2022
Plant Location	: Bangabandhu Sheikh Mujib Shilpanagar, Mirsarai, Chattogram
EPC Contractor	: Sinohydro Corporation Ltd., China.

Upcoming Power Plant Project

1. Sreepur 150 (±10%) MW HFO Based Power Plant Project

Generation Capacity	: 163MW
Type of Plant	: Engine Based
Type of Fuel	: HFO
Engine Model	: MAN 18V48/60 TS
Mode of Finance	: ECA Financing & Own Fund
Expected Date of Commencement	: January, 2022
Expected Date of Completion	: March, 2023
Plant Location	: Bormi, Sreepur, Gazipur, Bangladesh.
EPC Contractor	: M/S Max Infrastructure Ltd. Bangladesh.

2. Madarganj 100 MW Solar Power Plant Project

Generation Capacity	: 100MW
Type of Plant	: Grid Tied Solar PV
Type of Company	: JV of CIRE and B-R Powergen Ltd.
Expected Date of Commencement	: March, 2022
Expected Date of Completion	: December, 2024
Plant Location	: Kaizar Char, Madarganj, Jamalpur, Bangladesh.

3. Mymensingh 400MW Gas/LNG Based Combined Cycle Power Plant Project.

Message from the Desk of Managing Director

I feel great honor and proud to welcome all of you to the 10th Annual General Meeting (AGM) the company. On the eve of the 10th Annual General Meeting, B-R Powergen Ltd. is going to publish the Annual Report for the financial year 2020-2021. On behalf of the management, I would like to take the opportunity to highlights some activities of the Company. Every industrial enterprise has suffered more or less financially due to the impact of covid-19. Despite the adverse effects of the Covid-19, B-R Powergen Ltd. has been able to maintain its profitability as compared to previous years. In the last Financial Year 2020-21, the Company has earned total revenue amounting Tk. 5822 million with net profit of about Tk. 845 million.

It is great pleasure to inform that the Board of B-R Powergen Ltd. has recommended 5% cash and 7% stock dividend to the shareholders on paid up capital.

In compliance with the Power Generation Program of the Government of Bangladesh to meet the country's deliberately increasing electricity demand, BRPL is continuously generating electricity and implementing new power plant projects. The Company now owns and operates one 150 MW Dual Fuel Power Plant at Kodda in Gazipur. The company reaffirmed its consistent performance in operating Kodda 150 MW Power Plant and dispatching power to National Grid from 16 August, 2015 till now. The Company is committed to maintain 90% more availability factor of the said plant.

As an emerging company in the power Sector, BRPL is committed to expand its generation capacity and has taken initiatives to implement different projects with capacities namely; Mirsarai 150MW Dual Fuel (HFO/Gas) Power Plant Project, Sreepur 150MW HFO Based Power Plant Project, Mymensingh 400 MW (Gas/ LNG) Based Combined Cycle Power Plant Project and Madarganj 100 MW Solar Power Plant Project.

The company has consistently done well in other areas of performance as well. This has become possible only because we are pursuing the right strategy and stressing utmost importance to our shareholders. We have the right leadership that motivates us to continue delivering consistent performance and value. I believe, our business excellence is for the systematic use of quality management principles and tools in business management. We always pursue work for continuous and breakthrough improvement, control expenditures and decide major issues as per the guidelines of the Board of Directors.

I would like to convey my sincere and profound gratitude to the Hon'ble Prime Minister Her Excellency Sheikh Hasina, Government of the People's Republic of Bangladesh for her pioneering role in shaping the power sector. I would like to express my sincere gratitude to Hon'ble Adviser to the Prime Minister for Power, Energy and Mineral Resources Affairs Dr. Towfiq-E-Elahi Chowdhury, BB; Hon'ble Minister of State, Ministry of Power, Energy and Mineral Resources Mr. Nasrul Hamid, MP; Hon'ble Secretary, Power Division Md. Habibur Rahman for their invaluable guidelines. I want to express my sincere and genuine appreciation to the ex-chairman, Major General Moin Uddin (Retd.), Chairman of the Board Directors Abul Khayer Md. Aminur Rahman and the Board of Directors of B-R Powergen Limited for their continuous support and guidance. I also express my sincere gratitude to the Chairman of BPDB, Engr. Md. Belayet Hossain for his all along co-operation for the smooth progress of the Company.

I wish to express my deep and sincere gratitude to my colleagues and to all level of employees for their continued support, co-operation, loyalty and dedication towards the success of the Company. Especially, I would like to express my sincere appreciation to BRPL management team who have contributed in preparing this Annual Report. I firmly believe and hope that the Company will achieve excellence in the generation sector.

(Engr. Md. Fakhruzzaman)

Ongoing Power Plant Projects

The company has undertaken new projects for the its viability and continuity. According to the Power System Master Plan of the Government for enhancing its generation capacity, the company has undertaken new projects namely Mirsarai 150 ($\pm 10\%$) MW Dual Fuel Power Plant Project. To provide uninterrupted and reliable power supply to Mirsarai Economic Zone, GoB approved Mirsarai 150 ($\pm 10\%$) MW Dual Fuel Power Plant project implementing by GoB and Company's own fund. Construction of the project is nearly complete and hopefully will go on commercial operation on June 2022.

As per approval of Power Division, Ministry of Power, Energy and Mineral Resources B-R Powergen Ltd. has undertaken Sreepur 150 ($\pm 10\%$) MW HFO Based Power Plant Project at Borama, Sreepur, Gazipur to mitigate the increasing power demand of Valuka, Trishal and Northern part of Gazipur District. M/S Max Infrastructure Ltd. awarded as the EPC Contractor of the project through International Tender. B-R Powergen Ltd. has already acquired 15 (Fifteen) acres of land at Borama, Sreepur Upazila, Gazipur district on the bank of Shitalakshya river for the implementation of the said project. The project will be implemented under ECA financing from AKA & COMMERZBANK of Germany & own fund. After a long struggle, the financial closing of the Sreepur 150 MW power plant project will be completed by January, 2022.

Upcoming Power Plant Projects

100 MW Solar Power Plant (PV) Project at Madarganj Upazila under Jamalpur District is upcoming project of B-R Powergen Ltd.

Power Division, Ministry of Power, Energy and Mineral Resources has given principled concurrence on 25th August, 2020 implementing Mymensingh 400 MW Gas/ LNG Based Combined Cycle Power Plant project to mitigate power crisis in the Mymensingh Zone. Pre-feasibility study of the project has already been completed. Based on result of the pre-feasibility study, location of the project was selected at Shamvuganj in Mymensingh. EOI for engaging consultants for conducting detailed feasibility study of the project has been called. Complete proposal for land acquisition has been submitted to DC, Mymensingh.

Board of Directors

The Board of B-R Powergen Ltd. formulates strategic objectives and policies for the company and helps the management to implement those objectives and policies. Dividend Declared

The core aim of the management is to maximize the wealth of the company as well as value of the shareholders. As on 30th June 2021, paid up capital of the company is taka 295,82,18,320.00 (Two hundred ninety-five crore eighty-two lac eighteen thousand three hundred twenty). To maintain the balance between wealth of the company and dividend payout, the Board has recommended 5% cash dividend on paid up capital amounting taka 14,79,10,916.00 (Fourteen crore seventy nine lac ten thousand nine hundred sixteen only) for the shareholders considering the margin of the last financial year 2020-2021 and also the future fund requirement for the new projects to meet the company's own portion share of expenses.

Roles of the Chairman & Managing Director

Roles and responsibilities of the Chairman and the Managing Director are clearly segregated.
